Sleep!
To slip through realms
A light beam
To fulfill the shadow
And a team
Is sometimes what you
-need-
Growing stronger by the nano(aeon)
Then pay heed
To what I say,
No more day by day
Sin-king
Into agony

See
Now the shape is
Different again
And again
Back to
Little old me

From time to time
You have to be
Like
A chameleon dream

Bliss
Growing more silent
By the aeon
Then
Pay
The need
To hear
What
I say

No more
Endless awaken hours
Never to dream hopelessly
Climbing
The snake-skin-thing
