Kill with first blow  
No other  
Down with first go  
No, no, no  
Complex conversation  
Station no motion  
The first to aid  
The worst aid kit  
But the verse stays the same  
That would be nice  
That would be thrice  
That would be nice

What adds up?

Helped with first blow  
No other  
Down with the worst show  
No, no, no  
Compressed conversation  
Stationed motion  
The first to aid  
The worst aid kit  
But the verse stays the same  
That would be nice  
That would be thrice  
That would be vice

Seasons moving  
Reasons moving  
Re-appear  
Time to disappear  
Into sea

Onwards  
Brothers and sisters  
Do not give  
In  
Out  
Up  
Or down
