It is not a question, who  
Takes you to the shore  
Do you even want to be saved

Pain flow  
A three way trip to hell and back and hell  
Exciting heaven  
The same we fear to lack  
Keep a price and make an offer  
The deafened truth  
You collect in few  
It is the same show  
Pain flow

Go stronger  
Do you want to be rescued  
Hold on  
Charge to feel saved

Pain flow  
The one I gathered here and today  
In the meanest exciting hell  
Mastered  
Keep the price and make the offer  
The deafened truth  
You collect in few  
It is the same show  
Pain flow
