I could mind your soul, I could scream out your name  
Oh how I love you, and I put nothing above you.  
I could slow you down, I could spin you around  
Oh how I love you, if you could just let me in.

Don't say that you're spread to thin.  
And please don't tell me you're too pulled apart,  
to use your heart.

If I could only see, what it is you want from me.  
I think I could love you, if you could just let me in.

Don't say that you're spread to thin.  
And please don't tell me you're too pulled apart,  
to use your heart. X 3

Oh how I could love you, if you could just let me in.
