I wanna save you,
I wanna save you from the pain.
I wanna help you,
I wanna help you feel the same again.
I wanna fix you,
I wanna fix your broken necks.
I wanna change it,
I wanna change it for the best.

So, listen to me now.
I'm not gonna stand here, when my friend's down and out.
I'm not gonna run when, it's hard to figure it all out.
If there's anything I'd say,
I will tell you right now:

You're not alone,
You're not alone,
You're not alone.

You're not alone,
You're not alone,
You're not alone.

I wanna roll up,
I'm gonna roll up my sleeves.
I'm gonna fight for you,
I'm gonna fight till I bleed.
So, listen to me now.

I'm not gonna stand here, when my friend's down and out.
I'm not gonna run when, it's hard to figure it all out.
If there's anything I'd say,
I will tell you right now:

You're not alone,
You're not alone,
You're not alone.

You're not alone,
You're not alone,

You're not alone.

You're not alone,
You're not alone,
You're not alone.

Listen to me now,
Listen to me now.

Whoa,
Whoa,
Whoa.

You're not alone,
You're not alone,
You're not alone.

You're not alone,
You're not alone,
You're not alone.

You're not alone,
You're not alone,
You're not alone.

You're not alone,
You're not alone,
You're not alone.
