Lovely words, lovely sounds
Lovely people walking around
Lovely thoughts, lovely crowd
Lovely people walking around

You don't fit in, you don't stand out

This too shall pass
So please - stop crying
This too shall pass
So please - stop lying

Lovely music, lovely rain
Lovely people walking in pain
Lovely weather, lovely skein
Lovely people walking in pain

You don't fit in, you don't stand out

This too shall pass
So please - stop crying
This too shall pass
So please - stop lying
This too shall pass
So please - stop fighting
This too shall pass (so please)
Give up, let go, start flying

You've built yourself a pretty house
Inside your heart, you've locked them out
And now you dance with pretty thoughts
Inside your head, in quiet rooms
The fire made for seeing bright
Is spreading around inside your house
And burning down your pretty thoughts
Inside your heart, you've been locked in

(Give up, let go, give up, let go...)
This too shall pass
So please - start flying
This too shall pass
So please - start flying

(Give up, let go, give up)
