Giulia:

Standing in the rain  
Calling out your name  
Life is not the same  
Without you! x2

Marius:

Stars are brightening shiny in the sky  
Friends are sitting quiet side by side  
Lovers walking hand in hand together  
Here we are alone and out of time!

Giulia:

Standing in the rain  
Calling out your name  
Life is not the same  
Without you! x2

Giulia & Marius:

Standing in the rain  
Calling out your name  
Life is not the same  
Without you! x2

Marius:

Is it love that keep us all alive  
Do we search for soulmates on our life  
Can we ask the sun to shine forever  
Doesn't have to be all black & white....

Giulia:

Standing in the rain  
Calling out your name  
Life is not the same  
Without you! x2

Giulia & Marius:  
Standing in the rain  
Calling out your name  
Life is not the same  
Without you x2
