Tomorrow's coming fast yeah  
But I can't leave today no  
Stoned and completely bored  
So I play my guitar to try and get me by  
Gotta let it out, sometimes you gotta cry  
Yeah you gotta find your heart and give it 'til you die  
Gotta take control of your life

But I said I am so tired from the inside out  
Yeah I said someone please pull me out  
I need some solid ground yeah  
Waiting to be

Found in a way where they appreciate  
Music as a gift every night and day  
Yeah it is one of the only things that keeps me happy  
I need to rest my head down on this bed that I lay  
Regain strength and slowly drift away yeah  
Tomorrow is just another day oh  
Close my eyes to separate myself from the pain yeah  
Tomorrow is just a day away

But I said I am so tired from the inside out  
Yeah I said someone please pull me out  
I need some solid ground yeah  
I'm waiting to be found

Yeah oh oh oh  
To be found  
Just to be found  
Yeah  
Oh oh to be found oh oh  
I'm sittin' now, sittin' just to be,  
Just to be found  
I said I'm waiting to be found  
I said just to be, just to be  
I'm waiting to be found yeah

So I play my guitar to try and get me by  
Gotta let it out, sometimes you gotta cry  
Yeah you gotta find your heart and give it 'til you die

Gotta take control of your life

I said so I play my guitar to try and get me by  
Gotta let it out, sometimes you gotta cry  
Yeah you gotta find your heart and give it 'til you die  
Gotta take control of your life

But I said I am so tired from the inside out  
Yeah I said someone please pull me out  
I need some solid ground yeah  
I'm waiting to be found
