Well he's a real live wire.....And he's coming  
your way  
He'll be getting there from everywhere.....And  
leavin' any day  
He's a man that's on a mission.....Being guided  
by the sun  
But he won't get off that curcuit.....'Till his ridin'  
days are done  
He's got a pony named Mona Lisa.....And a four  
by four by Ford  
And he knows how to ride the big time.....Keeps comin'  
back for more  
But that won't hide the cowboy in me.....This is the  
way it is oh yea  
Chorus  
I've got the belts, boots and rodeo hats-Tell me little  
sister where it's at  
I wanna ride the pony's with a broken back  
In these belts, boots and rodeo  
hats.....Here we go

Well there a heaven up above .....For those  
who can wait  
And a hell down below.....With a bull  
horn on the gate  
And there ain't nobody gonna tell me how to get there  
Cause I've been to hell and back and everywhere  
Oh Oh and I've seen the sunrise when it wasn't so good  
And I've seen all those bad girls in your neighborhood  
But that won't hide the cowboy in me.....That's just  
the way it is

Repeat Chorus

Bridge  
He'll be waking up with strangers.....And talkin'  
to himself  
It's a lonely old life.....In his one  
room hotel  
But he'll take that trailer eastward.....Or where-  
ever he goes  
And where he winds up .....Well nobody knows

yea yea  
Repeat Chorus 2x  
Let him go....Watch him ride..Till he's long, long, long  
gone honey
