"Making Me Cry"

They're playing our song
On the radio
Our sweet and simple song
Playing soft and low
It keeps reminding me,
You said goodbye
There goes our song,
Making me cry

They're playing our song
You're so far away
But I still hear your voice
And the words you said
How you reminded me
You'd never say goodbye
There goes our song,
Making me cry

Will I ever find the love
My heart was once made of
So I can love again someday
With somebody new?

They're playing our song
And it's pouring rain
I hope someday my tears
Wash away my pain
'Cause it's still reminding me
You said goodbye
There goes our song,
Making me cry.
