Room spinnin' round, holdin' you close,  
This is the time I love you the most  
No one around, and no one to hear,  
The words that we whisper  
In each other's ear  
Oh baby this feelin's too much  
Caught up in the rhythm, the rhythm of love

Baby do you remember when we first said hello,  
How we knew right then  
That we would never let go, and  
In this moment it's like nothing has changed  
Just like the first time you called out my name,  
All it takes is your touch  
And I'm caught up in the rhythm of love.

Candlelit shadows dance on the wall,  
Move to the music, they rise and they fall  
Perfume and roses  
The love on your face,  
You pull me closer, my heart starts to race,  
Oh baby, the feelin's too much  
Caught up in the rhythm, the rhythm of love

And in this moment  
It's like nothing has changed,  
Just like the first time you called out my name,  
All it takes is your touch,  
And I'm caught up in the rhythm of love...

Room spinnin' round holdin' you close,  
This is the time I love you the most....
