"Let Your Kingdom Come"

There is no wisdom and no plan
That can stop the work of Your hand
Let Your kingdom come
The Son of God came to us
To destroy the works of the evil one
Let Your kingdom come

Let Your kingdom come
Let Your will be done
On earth as it is in heaven
Give us the power to live for You
Let Your kingdom come
Let Your will be done
Let Your kingdom come

Nations rage and kingdoms fall
But You still reign above it all
Let Your kingdom come
Men have failed to give You praise
Still You pour out Your grace
Let Your kingdom come
