You're awesome in power
Mighty in deed
So I'm waiting for You
Down on my knees
And I'm crying out today
To see Your face
I know You'll meet me here
This is my solemn prayer

Rend the heavens
Split the sky
Let Your presence come down and fill my life
Let Your fire burn in me
Do wonders that I've never seen

You ride on the clouds in majesty
Before Your throne Lord
I'm small and I'm weak
As You look down from heaven
And see my need
I know You'll meet me here
This is my solemn prayer
