"Stand"

I will stand for the gospel
I will stand for the truth
I will stand for the Lord
I will not be moved
I will listen O Lord
And I will obey
I will stand O Lord
I will stand

I wanna be a warrior
I wanna fight for those who have no voice
I wanna be on fire
Let the world know I've made my choice
Leaving behind my past
Face to the sun
I will live for You
I will never give up

Gonna reach for my high calling
I'm pressing toward the mark of destiny
Oh Lord keep me from falling
Help me to stand for You in victory
I'm free from sin
Through the blood of Christ
I will live for You
I will not be denied
