If love was a word, I don't understand  
The simplest sound with four letters  
Whatever it was, I'm over it now  
With every day it gets better, it gets better

Chorus

Are you loving pain, loving the pain?  
And with everyday, everyday I try to move on  
Whatever it was, whatever it was  
There's nothing now -- you changed  
New Age

I'm walking away from everything I had  
I need a room with new colors  
There was a time when I didn't mind living the life of others

Chorus

So much fire that it burned my wings  
Her heat was amazing  
Now I'm dreaming of the simple things  
Old ways erased  
If love was a word, I don't understand  
The simplest sound with four letters

Chorus (2X)
