

## Marques Toliver "Sitting Up In My Room"

Visit "[Sitting Up In My Room](#)" on MotoLyrics.com

Sitting Up In My Room Waiting For You To Love Me..  
Iâ€™ve Got Nothing But Time, Or Things To Do...  
Just Waiting For You To Come Back Home...  
I Canâ€™t Get You Out Of My Head, Donâ€™t Know  
What To Do Babyâ€¦  
You Fill My Life With Blazeâ€¦I Know This Love Is  
Trueâ€¦

Baby, Please Save Me, â€™Cause I Donâ€™t Wanna Live  
This Life Aloneâ€¦  
Baby, Please Save Meâ€¦Oohhhhâ€¦

Sitting Up In My Room Waiting For You, Getting  
Lonelyâ€¦  
I Thought I Was Fine, But I Didnâ€™t Knowâ€¦  
The Knowledge That You Have Right To The Soul  
I Couldnâ€™t Get You Out Of My Head, Like Some Kind  
Of Bad Habitsâ€¦  
To Leave Ranted Me Some Sort Of Restâ€¦  
Iâ€™m Ready, I Know This Love Is Trueâ€¦

Baby, Please Save Me, â€™Cause I Donâ€™t Wanna Live  
This Life Aloneâ€¦  
Baby, Please Save Meâ€¦Oohhhhâ€¦

You Keep My Feet On Solid Groundâ€¦  
Iâ€™m No Longer Lost, But Now Iâ€™m Foundâ€¦  
When The Rain Fell I Knew It Was Loveâ€¦  
I Told You, Neither Stars And The Sky Aboveâ€¦  
Iâ€™ve Caught Your Attention From A Fallâ€¦Come  
Down From Your Stairwellâ€¦  
The Angels From Above Wanna Leave That Instauration  
Upâ€¦  
Iâ€™ve Caught Your Attention From A Fallâ€¦Come  
Down From Your Stairwellâ€¦  
The Angels From Above Wanna Leave That Instauration  
Upâ€¦
