I Was Just A Little Boy, Swimming In The Ocean.  
My Past Mistakes And Future Joys I Don't Think  
I Can Swim This On My Own, Swim This On My Own,  
Swim This On My Own, Swim This On My Own  
Destiny Fall Down, Wipe Away My Past Mistakes  
The Sun Ain't Shining Now, I Don't Think  
I Can Make This Place My Home, Make This Place My  
Home, Make This Place My Home, Make This Place My  
Home...  
Sit By Me I Fold Me Your Voice To My Ears, To My  
Ears.  
Sit By Me I Fold Me Your Voice To My Ears, To My  
Ears  
If I Abide To Your Will, Will I Never Have No Pain? Will I  
Never Have No Pain?  
I'm Tired, But My Body Hold Me, Led Me By The  
River Side, So I Can Die  
Please Be Still, 'Cause I'm Complacent Here,  
And I'm By The River Side, I'm By The River  
Side...

I Can Swim This On My Own, Swim This On My Own,
