Marquise dun been came thru
im just taking over the throne
keep it high or keep it low
i got these haterz in a dump truck
i know you wants some
come and taste the flavor hunney
fake dudez and fake gurlz
yeah they kno they get stuck
my mama told me to have great expectationz
one day ill rule the world and take over the generation
haterz lookin stupid when im spittin
little crusty snitch
you betta run and tell the deacon
last time i checked
i was in the studio
me and my motivation goin ham
just thought i should let you kno
and ill use your heaf d like its
my trophy
haterz so wack cuz the kno they couldnt
hold me
call me undefined
dnt bring up a definiton
twinkle twinkle little star
while you niggaz still still wishin
on a star
i think im gone fly to mars
i dun been came thru(2x)
Marquise minaj he dun been came thru (2x)
i dun been came thru (2x)
