Please help me find danny  
Hi, I'm looking for billy  
I've been searching everywhere  
And I can't seem to find danny  
Do you know where I can get a bag of billy?  
it makes my life happier  
More exciting  
it makes me want to dance  
Dance (repeat)

Please help me find danny

Hi, I'm looking for billy  
I've been searching everywhere  
And I can't seem to find danny  
Do you know where I can get a bag of billy?  
it makes my life happier  
More exciting  
it makes me want to dance  
Dance (repeat)

Please help me find danny x 2
