VERSE-II

And like the lily of the valley, we'll definitely be happy.
I got what it takes I'ma take you there.
Both of us together will be just so fair.
I guarantee you baby we'll be the cutest pair.
You can lean on me and I can lean on you,
Yeah that's what we'll definitely do.
We'll pass it through the bad times and make it to the
good times.
Always standing by each other this love will take us
farther.
And our love will grow stronger if the times get harder.
Yeah that's what we'll do coz we'll be two true lovers.

And if you ever fall then I'll lift you up higher.
You are my dear and so I'll always care.
Always making sure that you don't shed a tear.
I got what it takes I'ma make you smile.
I'll love you so much like parents love their only child.
No more frown faces.
You deserve only happiness.
Girl we can be happy together if you just say so.

CHORUS

Will you be my valentine.
Baby I guarantee together we'll shine.
Girl I'll treat you just so fine.
So gimme your hand and just be mine...
Will you be my valentine.
Baby I guarantee together we'll shine.
Girl I'll treat you just so fine.
So gimme your hand and just be mine, just be mine, just
be mine...

VERSE III

Now I don't need much to say.
You already got what I'm trying to say.
Everyday I miss you what should I do.
I've waited for too long and still I'm trying to.
Girl let me tell you one thing this love ain't a fake.
Let me say it clearly my love for you doesn't lack.
In my heart how I wish if only you knew.
You're still fresh on my mind girl like a morning dew.
Yeah I need you in my life girl.
I need only you.
I can be your Bonnie and you can be my Clyde.
And someday I'm surely gonna make you my wife.
Shawty now it's up for you to decide.
You and me together we gonna look so bright.
So stay close do not go, I know you wanna stay.

Be mine lady that's what I pray.

CHORUS

Gurl I'll treat you just so fine.
So gimme your hand and juz be mine...
Will you be mah valentine.Baby I gaurantee together

Gurl I'll treat you just so fine.
So gimme your hand and juz be mine, juz be mine, juz
be mine...
