Did I exchange a look with you?
Before we said hello
My mind is searching for a place
To rest my eyes on

Related circumstances
Trade a joke or two
And all I'm thinking is
I wanna know you

If I get to feel you
I won't let you go
If I get to feel you
I won't let you go

You're edging closer to my space
I'm feeling more unsure
But the fear I'm feeling
Is making me want more

I can't explain this paradox
Or why it feels so right
As you open
Your bedroom door

If I get to feel you
I won't let you go
If I get to feel you
I won't let you go

If I get to feel you
I won't let you go
If I get to feel you
I won't let you go

If I get to feel you
I won't let you go
If I get to feel you
I won't let you go

Yeah
