Stop, yes, stop, go
You got more trouble than I've ever known
But it's alright and succeeding
That's the kinda talk I need today, you tell me
(You got a paper thin soul)

Stop, yes, I can fly
But condition's anesthetized
(You got a paper thin soul)
Stop, go, let me know
I'll take direction from your paper soul
(You got a paper thin soul)

I fell down on your clues
You got me tripping on your swing set blues
This is the kinda shit I need to drop
But it's alright but now I can fly, you tell me
(You got a paper thin soul)

Stop yes, I can fly
But condition's anesthetized
(You got a paper thin soul)
Stop go, let me know
I'll take direction from your paper soul
(You got a paper thin soul)

Soul
Soul
Soul

Making the rounds, I come upon
The history of your greatest bombs
Nothing is safe when I'm in your mind
I'll take the past and make it mine, you tell me
(You got a paper thin soul)

Stop yes, I can fly
But condition's anesthetized
(You got a paper thin soul)
Stop go, let me know
I'll take direction from your paper soul
(You got a paper thin soul)

You got a paper thin soul
You got a paper thin soul
You got a paper thin soul
A paper thin soul
