I'm on the line, pick up
I need to hear your voice
What you're doing? Pick up
I wanna talk you back to sleep

We can work this out
Darling if you want to
I know we cannot touch
But we gotta try to

Darling if you want to
Darling if you want to

I'm on the line, pick up
I need to hear your voice again
What you're doing? Pick up
I wanna talk you back to sleep

In the daytime
Distraction's easy
In the evening
You're under my skin

We can work this out
Darling if you want to
I know we cannot touch
But we gotta try to

Darling if you want to
Darling if you want to
Darling if you want to
Darling if you want to

I know it hurts too much
But I'm gonna pull through
Just pick up
Darling if you want to
