You got a look, Cowgirl there ain't no doubt
You make me crazy, make me scream and shout

What you got is special and you know it's true
I just want to put myself inside of you

I want you Bad
I like the funny way you talk
I want you Bad
I like the way you walk

That perfume that your wearing girl it smells so
sweet
You got a body like a like a cherry that I want to eat

Everything about you girl is Hee Haw Hot
I'm Wild Eyed and reckless Beggin' for a shot

I want you Bad
I like the funny way you talk
I want you Bad
I like the way you walk

Bridge

I'm so ashamed to say what's on my mind
I never saw someone who looked so fine in those

Daisy Duke Shorts, somehow this don't seem right
To tease me this way and make me wait all night

I want you Bad
I like the funny way you talk
I want you Bad
I like the way you walk

Who knew a Farmers Daughters could make me Feel
Crazy things inside of me that seem so unreal...

Your whispering these things, that you want me to know
Honey I cant hide this thing, u make it show
