They call you "Lad's love" little darling
And baby I know just why
The posies in your hair make me high
When I'm feelin down, I want you around.
It's like thizzin' and I just can't pull away
(Miss) Southernwood gonna blow my mind away

Refrain:

Maybe it's the moon, maybe it's the shine
Maybe I'm about to lose my mind
Maybe I'm so crazy lost in love I just don't care
Maybe it's a bind, maybe I'm fine
Maybe I done crossed the danger line
Maybe I've gone so gosh dang far in this love affair
Little Miss Southernwood, I do declare

I first saw you in the country
Waving to me from a field
A sweet camphor scent I just can't deny
I hold you so dear,
Always wishin' you were here
Baby, please don't make me wait another day

Miss Southernwood gonna blow my mind away

Refrain:

Maybe it's the moon, maybe it's the shine
Maybe I'm about to lose my mind
Maybe I'm so crazy lost in love I just don't care
Maybe it's a bind, Maybe I'm fine
Maybe I done crossed the danger line
Maybe I've gone so gosh dang far in this love affair
Little Miss Southernwood, I do declare

This waking dream, it's a pity
Imagination runnin' wild
Baby u got to feed my starving soul
You make me feel good,
Way Better than I should
I should take my toys and walk away
Miss Southernwood gonna blow my mind away

Your eyes are like electric blue stars
I'm a desperate cotton shooter
You make me float deep inside this gutter
Your love is dyno
Pure Southernwood is the only cure
