Got a call from my girlfriend last night
Said I'm goin' w/ the girls out drinking
But I think something more is going on...

She's been away for two straight weeks
Says I don't know when I'll see ya
Got to do some "work" down in Nashville for a while

Now I'm,
Stuck in the middle of a Tennessee heartache
Stuck in love with a crazy girl
Stuck in something I can't let go
Man I don't know what I'm thinking

Stuck in the middle of a Tennessee heartache
Stuck in love with a crazy girl
Stuck in something that's got me and I can't let go

So I take to the highway
Put the dog in my chevy truck
Hope the tires can last 1000 miles,

I just gotta tell her how I feel about her
I gotta know if she'll be mine forever
I gotta give this thing all just one more try

Now I'm,
Stuck in the middle of a Tennessee heartache
Stuck in love with a crazy girl

Stuck in something I can't let go
Man I don't what I'm thinking

Stuck in the middle of a Tennessee heartache
Stuck in love with a crazy girl
Stuck in something that's got me and I can't let go

Bridge:
I'm thinkin bout what I am gonna say
I practice over and over again
I know it's gonna work this time, for Sure

But she aint on the streets of Broadway
She aint hangin' in Music Row
She's gone and she can't be found, She aint' no where
in this town

Solo

Chorus

Now I'm,
Stuck in the middle of a Tennessee heartache
Stuck in love with a crazy girl
Stuck in something I can't let go
Man I don't know what I'm thinking

Stuck in the middle of a Tennessee heartache
Stuck in love with a crazy girl
Stuck in something that's got me and I can't let go
