Her voice was kinda shaky,
As she told me she was sure.
Itâ€™s not just the two of us anymore,
And that we had made a baby,
And life as we knew it had changed for evermore.

And then she said â€œIâ€™m so sorry.
This was unexpected, and afraid of how Iâ€™d
feel.â€
And asked â€œWill you still love me?
If my body changed, and Iâ€™m not the same,
Donâ€™t have the same appeal,
Baby, how will you feel?â€

Refrain:
I think God heard me praying,
Cause he gave me an angel the day that I found you.
And I feel I am blessed with more than I deserve,
How can one man ask for anymore than you?
I asked God for an angel, and now I have two.

I told her I had waited a lifetime
To hear the news that she was telling me today
And I know, this is not how we planned it
But just maybe, the good Lord above, really wanted it
this way.
Did you think that I would run away?

Refrain:
I think God heard me praying,
Cause he gave me an angel the day that I found you.
And I feel I am blessed with more than I deserve,
How can one man ask for anymore than you?

Through darkest night or endless rain,
Through the sadness, through the pain.
Iâ€™ll give my whole heart,
Iâ€™ll remain devoted to you.
Today I got down on my knees,
And I prayed with everything,
And I vowed to be here till the end.

Refrain:

I think God heard me praying,
Cause he gave me an angel the day that I found you.
And I feel I am blessed with more than I deserve,
How can one man ask for anymore than you?

I think God heard me praying,
Cause he gave me an angel the day that I found you.
And the good Lord through his grace gave me angels,
God gave me TWO angels.
