Well... me and my baby Miss Kalie Marie, for years we
been going strong
I been workin double shifts at the factory,
Just to pay her credit cards off...
But lately she's been headin' down to Jo Jo's Bar,
Wearing her favorite thong,
It didn't take much to figure something more was goin
on...

Chorus:

Buddy if u wanted a fight, then I'm ready to roll
Cause I've been pushed as far as I'm gonna go...
And I aint got nothing left to lose, cause you done take
it all way
Buddy u wanted a fight, I'm ready to roll...

Yea, she's been hangin' out late w/ some brand new
Friend, drinkin Sangria wine
Her Facebook page said she was havin' a real good
time...
But the thing I didn't know was that her brand new
Friend, was crossin way over the line
If he was lookin for some trouble, well, I'm not so very
hard to find...

Cause Buddy u wanted a fight, then bitch I'm ready to
roll
Cause I've been pushed as far as I'm gonna go
And I aint got nothing left to lose, cause you done take
it all way
Buddy u wanted a fight, I'm ready to roll

Well I caught up to them parked down at Watkins Glen,
She was thinkin' I couldn't see...
He was drivin' that Jeep that I just bought her,
She had her hand somewhere around his knee
Well, He smiled at me said,
"Hey no hard feelings, she's the one that came on to
me"
And if I was real smart, I would walk away and let them
be,

Buddy U wanted a fight, then bitch I'm ready to roll
Cause I've been pushed as far as I'm gonna go...
And I aint got nothing left to lose, cause you done take
it all way
Buddy u wanted a fight, I'm ready to roll
