Beats and blips  
You're looking so fit  
Rock bones to tones  
We're getting it on  
Let's rock this beat  
You're fretting don't split  
It's your night  
It's alright

You're never gonna get it  
If you don't get with it tonight yeah, tonight  
You know you wanna dance  
But you're freaking at the chance  
It's alright yeah, it's alright, yeah

Wave your hands if you got this  
Shake it up if you want this  
Make it pop if you got this  
You got it, you got it yeah yeah  
Wave your hands if you got this  
Shake it up if you want this  
Make it pop if you got this  
Let's get it on

Everybody rock this  
Nothing won't stop this  
Cause we're gonna own this club tonight  
DJ's gonna drop this  
Nothing won't stop this  
Cause we're gonna own this club tonight  
Tonight, tonight, tonight

Slip and slide  
Keep it real low  
Don't move, you're close  
Your natural flow  
So smooth, your waist  
You know the right place  
It's alright, it's alright

You're never gonna get it  
If you don't get with it tonight yeah, tonight

You know you wanna dance  
But you're freaking at the chance  
It's alright yeah, it's alright

Wave your hands if you got this  
Shake it up if you want this  
Make it pop if you got this  
You got it, you got it yeah yeah  
Wave your hands if you got this  
Shake it up if you want this  
Make it pop if you got this  
Let's get it on

Everybody rock this  
Nothing won't stop this  
Cause we're gonna own this club tonight  
DJ's gonna drop this  
Nothing won't stop this  
Cause we're gonna own this club tonight  
Tonight, tonight, tonight

Let's just get crazy  
Let's do this  
I am ready, turbo boosters  
That krypton funk, that cool with  
Let's get that hit that new fix  
Let's get up, let's get down  
Everybody wanna rock like this now  
Are you ready as you are here' a big sound  
Move with the crowd baby that's how we get down

Wave your hands if you got this  
Shake it up if you want this  
Make it pop if you got this, yeah, yeah  
You got it, you got it yeah yeah  
Wave your hands if you got this  
Shake it up if you want this  
Rock this club tonight

Everybody rock this  
Nothing won't stop this  
Cause we're gonna own this club tonight  
DJ's gonna drop this  
Nothing won't stop this  
Cause we're gonna own this club tonight  
Tonight, tonight, tonight  
Tonight, tonight, tonight  
Tonight, tonight, tonight  
DJ's gonna drop this  
Nothing won't stop this  
Cause we're gonna own this club tonight

Tonight, tonight
