I bet you're wondering,
Baby come sit down!
I bet you're wondering what is going on here
You don't wanna be anywhere that here!
I'mma... with none to lose
So I'm kinda ready, ready for you!
Be right here in the first room,

Chorus:

You're looking sexy, in case you didn't know
I'mma do, I'mma do, I'mma do a little dance for you!
I'll hope you're ready, baby for the show!
I'mma do, I'mma do, I'mma do a little dance for you!

Baby, I bet you wasn't ready for my powers
You gonna end up thinking about it!
I'm too, looking for some more
I'm an opened door, I'mma satisfy you
You could have your way if you're a super freak
All you do is press play
Baby you can press begin!
And when I'm at the end
If you want some more I can do it again!

Chorus:

You're looking sexy, in case you didn't know
I'mma do, I'mma do, I'mma do a little dance for you!
I'll hope you're ready, baby for the show!
I'mma do, I'mma do, I'mma do a little dance for you!

I'mma do like this, set back, a little twist
And ever, of my hip,
I'mma do this right, turn left and then to the right
And at the end of the night I'm,

Chorus:

You're looking sexy, in case you didn't know
I'mma do, I'mma do, I'mma do a little dance for you!
I'll hope you're ready, baby for the show!
I'mma do, I'mma do, I'mma do a little dance for you!
