[Intro]

Who's the masta, who's the masta

[v1]

Born in africa, chillin in asia

Big boy killa...(amnesia)

Im coming harder than ever

I mean never, cuz this is like forever

Im so fuckin smart that i make

Smart people feel retarded

Like they're fagots, tell me

Do you roger that? oh no?

You're still on a low level

Please dont talk to me, bitch! u got no level

Cuz im runnin in a piece, I like peace

But im a Don, still hard on your fuckin streets

Im never weak, never leak, I bring the heat

I take a beat uh, and I release a hit

Fuck you all and fuck them who fuck them hoes

SR muderfuckers treat niggaz like hoes

Im not a snake but i drive snake in their whole

Ask me who i be? im a King, bitch!

[Hook]

Tell me who's the masta, young black boy in the chorus

Im never compared to you hoes

Tell me who's the Masta, im runnin on a high speed

Inspiration high, no weed

Tell me who's the Masta, young black boy in the chorus

Im never compared to you hoes

Tell me who's the Masta, im runnin on a high speed

Old school, New school, yes! both I got them

[v2]

I make it hot in winter, bring the cold in summer

I change the weather you can call me the weather man

P-president ima always represent SR

Ima keep droppin shit till the day that I'll die

Murderfuckers, I give y'all game over

S-s-since I took over, they call me undertaker

Dude, just-just look at my swag

Y'all need a miracle to compare with my swag  
I've been known in the hood as a game killa  
Blowin up pussy ass niggaz like im (Katrina)  
I dont give a fuck about you average job dealers  
Cuz im runnin' businesses, with my bro ENA  
Uh! big chillin in our atmosphere  
Final destination, yeah! we're almost there  
Y'all niggaz dont know what we doin here  
Ask around once again, ima ask you

[Hook : Repeat]

[v3]

From the west we the best, we fuck the rest  
Money and Authority im here to attest  
Y'all niggaz dont have little respect  
So I treat you like kids, make you look the blurriest  
With one blow i can fuck (the world entire)  
You think im high, (im still gettin higher)  
Uh! cuz hip-hop is my desire  
And ima also run it as my empire  
You're stayin broke niggaz while im gettin rich  
Good voice, real voice you can't even hiss  
While im doing big things, you're doin shit  
Did i hear you're lost? \*\*\*\* give you a hint  
Born in Africa chillin Asia  
Beijing resident, representer  
Ima be always be big till you niggaz pass  
Big boss killa no lie so
