[v1]

I ain't gonna lie, so don't even trip

She's super-duper fly, you know what i mean

Let's say, she's so wow that u've never seen

She that kind of girl that you always wanna dream

This shawty got only ?? on the dash, ?? on her hips

Only ?? on her ass

So that's why this shawty is so attractive...

OMG, she's also also so fancy...

Gotta admit, this shawty is out of regular

She's sending, sending charges to my medulla

I know she wishes, i could always be with her

She's so fragile, i know how to handle her

I could take her...places that she's never seen

Caribbean... and fit her in the sand, yeah

Shawty likes walkin hand 2 hand

I make so proud, uh ha!

[Hook : Repeat]
