Hook: White T, Levis and some fuckin' Vans; Ya boy
M.O.D. is tha fuckin man (x4)

I'm jus talkin bout my muthaphuckin outfit, This that
water in the middle of that drought shit, This that song
you can't go without shit, This that make you wanna go
out shit

I'm over here on that lets have fun shit, You over there
on that let me be dumb shit, I jus wanna sit here and
lay back, Good food; Good head; Great cat

Now that's a good ass combination, All ya'll niggas
fake that's my observation, All these niggas wanna sit
here and swagger-jack, Guess who brought tha
muthafuckin swagger back

I just wear white t's cuz I'm fuckin cheap, I'm skinny but
i'll still knock a nigga off his feet, This that straight
outta carolina shit, I just want all my beans on my lima
shit

I just do this shit cuz it's my passion, If I said something
then it fuckin happened (x2)

Hook: White T, Levis and some fuckin' Vans; Ya boy
M.O.D. is tha fuckin man (x4)
