He's just twenty years old
Leave him alone, they say,
Separated by fools
Who don't know what love is yet
But I want you to know (yah, yah)

If I could fly, I'd pick you up
I'd take you into the night
And show you a love
Like you've never seen, ever seen

It's like having a dream
Where nobody has a heart
It's like having it all
And watching it fall apart

And I would wait till the end of time for you
And do it again, it's true
I can't measure my love
There's nothing to compare it to

But I want you to know
If I could fly, I'd pick you up
I'd take you into the night
And show you a love

Ooh, if I could fly
I'd pick you up
I'd take you into the night
And show you a love
Like you've never seen, ever seen
Yeah, ooh
