Spoken Intro:

This is what he said to me, in my car
walking away from the bar

Silly of me, to think that I
could ever have you for my guy
how i love you, how i want you

silly of me
to think that you
could ever really want me to
how i love you

you're just ah lover out to score
i know that, I should be looking for more
what could it be in you I see?
what could it be-be?

Ooh-oh love, Ooh-oh love
stop making ah fool of me

Ooh-oh love, Ooh-oh love
stop making ah fool of me

silly of me
to think that you
could ever know the things I do
are all done for you, only for you

silly of me
to take the time
to comb my hair
and pour the wine
and know your not there

You're just ah lover out to score
and know I should be looking for more
what could it be, in you I see?
What could it be?

Ooh-oh love, Ooh-oh love

stop making ah fool of me

Ooh-oh love, Ooh-oh love
stop making ah fool of me

Music Break-down

Woo, woo-wow silly of me, to go around
and brag about the new love I found
I say your the best
Well! I can't tell the rest

And foolish of me
To tell them all
That ever night and day you call
When you could care less

You're just ah lover out to score
and I know I should be looking for more
What could it be, in you that I see?
What could it be?

Ooh-oh love, Ooh-oh love
stop making ah fool of me

Ooh-oh love, Ooh-oh love
stop making ah fool of me, aah

Woo woo, wow wow wow, wow
silly, wow wow wow, wow
silly, wow wow wow, wow
silly, wow wow,
La, la la la la, silly
La, la la la la, silly
