I went down to the water
And looked past the the bridges
And something in the sky told me
It'd never be the same

I look to my sister
Saying what have I done?
I've made a mess of this
Song that I've sung

Now everyones trying to tell me
How its supposed to feel
They nod like I'm a child
But they don't even hear me

Oh I will wait for my little songbird
But its not the right time
So I'll fly out on my own
So if you see my little songbird
Can you tell her I'll wait here
Down by the shore

The words of the Father
They ring in my ear
Go and find you a love
And and live out all of your years

And they say if ya looking
Well, you'll get what you come for
And everyone has there own price to pay

Oh, I don't really know what to believe
Oh I'll call out to the world
"Hello, can you hear me"

Oh I will wait for my little songbird
But its not the right time
So I'll fly out on my own
So if you see my little songbird
Can you tell her I'll wait here
Down by the shore

Oooooohhh

Oh I will wait for my little songbird
But its not the right time
So I'll fly out on my own
So if you see my little songbird
Can you tell her I'll wait here
Down by the shore
