Du du du du di a
I'm wasting time alone tonight
And nothing goes right
I'm chasing thoughts around the wall
A rat race in my soul

It's time for a change
No time to complain
Nothin' left to lose
And so I wander

I'm hanging out alone tonight
No partners in crime
This time I wanna take a bite
I won't wait for a sign

At this time of the night
Everyone looks fine
There's nothin' left to lose

I'm starting a brand new life
Swingin to the bright side
I'm going for mine tonight
To join me is up to you
I told you "a new life"
Trust me, shining
That's what I want

Du du du du di a

I throw it all behind my back It's time to react
The others use to call it love
For me just a word

At This time of the night
Everyone looks fine
I've nothin' left to lose

I'm starting a brand new life
Swinging to the bright side
I'm going for mine tonight
There's nothing you can do

I told you a new life
Trust me, shining
Iâ€™m saying a whole new life
Swinging to the bright side
Iâ€™m going for mine tonight
To join me is up to you
I told you a new life
Trust me, shining
That's what I want

Instrumental

I've told you a new life

Iâ€™m starting a brand new life
Swinging to the bright side
Iâ€™m going for mine tonight
Thereâ€™s nothing you can do
I told you a new life
Trust me, shining
That's what I want

Du du du du di a

A new life
