f#\$k life I dont deserve that bitch anyways only wanted to spit flows never wanted center stage./Just the beginning of a musical career/ Then back to minimum wage only after a year/ I see nothing really matters to these bastards they would kill they whole family and blow out they own brain matter/ Im starting to feel the same cause the pain is deep/ thoughts on my brain I aint slept in a week/ got the tech to my cheek trying to let off a few shots/ before im a memory hanging out with tupac/

its none of your buisness dont ask how im living/ cause I cant support my kids or the crib that I live in/ pops is getting crazier/ watch how the tables turn/ nothing matters maybe her shes fu\$ked so take your turns/ cause nothing really matters I dont need the freedom/ lock me in a cell at least I get to eat some/no such thing as free lunch/ today I smoked 23 blunts/ and now i feel my lungs look like a tree trunk/Nothing going right thats why the guns to my temple/ and when im done spitting all you hears the intrumental
