Baby. . .You™ re The ONE !

Intro:

Yeah. .
You know. .
Seeing all those music stars out there. . .
I always wanted to write a song of my own. . .
And. .
I just gave it a try. .
I wasn't having many thoughts,
So. .
I decided to throw a part of my life out. . .
It™ s about. .
How I met this Girl. .
And..
How she went to be. .
The ONE
Yo!

1st Verse:

Let me tell u a story of a girl.....who™ s hot enough
To be a whole part of my rap
'Coz.....yeah it™ s kinda tough
Eh he.....just joking.....coz I like it a 'lil rough

And I'm talkin™ about my song
Not that girl with those Long
Lovely hair that swirled
With those pretty awesome curls

Whom I met in that afternoon in June
And a sudden melody played
In my mind with a tune
But unlike that douchey one that did in Twilight™ s
"New Moon"
(And u know)
Lyrics were damn Less as I started at first
Then all of a sudden.....these feelings.....they just burst!
Now I'm. .
Rapping bout a person who quenched my thirst

Of love 'coz it was a curse
That made my life so worse

And I still fuckin' remember
The day I first met her
And the beautiful night when we had our first dinner
I just kept lookin' at her. .
and I kept lookin' at her. .
And it felt like. . I just wanted to utter. .

-[HOOK]-

You're my Heartbeat, You're my Soul Mate, You're my
Girl. .
Baby. . You're THE ONE. . .!
You're my Breath, You're my life, You're my Love. .
Baby. . You're THE ONE. . .!

You're my Heartbeat, You're my Soul Mate, You're my
Girl. .
Baby. . You're THE ONE. . .!
You're my Breath, You're my life, You're my Love. .
Baby. . You're THE ONE. . .!

2nd Verse:

But then I knew that it was kind of soon. .
To tell her
'Coz I ain't the 'Ted Mosby' of 'How I Met
Your Mother'
(He He)
So we just started kind of dating each-other. .
Where she whined and whined
About her pompous ex-Lover

It was kinda cocky
But I liked the talk
And we were just wandering
But I liked the walk
'Coz there was something really special 'bout this Girl
That was making her The ONE
For me in this world

And her smile was like healing the wounds of my heart
And wherever she went
I got dragged like a cart
I really didn't know
What that feeling was
But I was
Sure as hell that it wasn't a lost cause

And I had been waiting for so fuckin'™ long. .
For an understanding that would be that strong. .
So I just held her hands and
On the couch we sat. .
For I Could
Look into her eyes
And tell her that. .

-[HOOK]-

You're my Heartbeat, You're my Soul Mate, You're my
Girl. .
Baby. . .You're™ re THE ONE. . .!
You're my Breath, You're my life, You're my Love. .
Baby. . .You're THE ONE. . .!

You're my Heartbeat, You're my Soul Mate, You're my
Girl. .
Baby. . .You're™ re THE ONE. . .!
You're my Breath, You're my life, You're my Love. .
Baby. . .You're THE ONE. . .!

3rd Verse:

And I know y'all wanna know what she decided. .
And that was where the irony resided. .
'Coz all of this crap
That I just rapped
Was just a fuckin' dream I had
And like every other one
It wasn't true
And every day that feeling rushes me through
'Coz I freakin' don't know. . .what should I do ?
So I just hope up and wait for The Day. .
When I'll take that Special Girl
Far away. .
And my ecstatic heart
Would finally Say. .

-[HOOK]-

You're my Heartbeat, You're my Soul Mate, You're my
Girl. .
Baby. . .You're™ re THE ONE. . .!
You're my Breath, You're my life, You're my Love. .
Baby. . .You're THE ONE. . .!

You're my Heartbeat, You're my Soul Mate, You're my
Girl. .
Baby. . .You're™ re THE ONE. . .!
You're my Breath, You're my life, You're my Love. .

Baby. . .You're THE ONE. . .!
