Her eyes, her eyes make the stars look like they're not
shining
Her hair, her hair falls perfectly without her trying
She's so beautiful and I tell her everyday
I think I wanna marry you
His lips, his lips I can kiss them all day if he'd let me
His laugh, his laugh he hates but I think it's so sexy
He's so beautiful and i tell him everyday
I think I wanna marry you
Beautiful girls all over the world, I could be chasing but
my time would be wasted
They got nothing on you baby, nothing on you baby
I'd catch a grenade for ya (this ones for you and me)
Throw my hand On a blade for ya (living out our
dreams)
I'd jump in front of a train for ya (lift my arms out wide)
You know I'd do anything for ya (I open my eyes)
C'mon I would go through all this pain
Take a bullet straight through my brain
If you walk away, everyday it'll rain, rain, rain
Oh oh oh oh oh oh oh oh
Today I swear I'm not doing anything (I wanna be a
billionaire)
I just wanna lay in my bed (so fricking bad)
Don't feel like picking up my phone so leave a message
at the tone
'cause today I swear I'm not doing anything
So what we go out? So what we don't sleep? We're just
having fun we don't care who sees
So what we go out? That's how it's s'posed to be living
young and wild and free
When I see your face theres not a thing that I would
change
'cause your amazing just the way you are
I think I wanna marry you,
when you smile the whole world stops and stares for a
while
'cause you amazing just the way you are
I think I wanna marry you
'cause you're amazing just the way you are
