Victoria:

Just shoot for the stars if it feels right  
And aim for my heart if you feel like it  
Take me away and make it OK  
Yeah, you really make me wonder â€˜bout you

Max:

Maybe itâ€™s hard  
When it feels like youâ€™re broken and scarred  
Nothing feels right  
But when youâ€™re with me, Iâ€™ll make you believe  
Girl, you really make me wonder â€˜bout you

Victoria:

I wasted my nights  
You turned out the lights  
Now Iâ€™m paralyzed

Max:

Still stuck in that time  
When we called it love  
But even the sun sets in paradise

Max:

I donâ€™t mind spending every day

Victoria:

Sunday morning rain is falling

Max:

Out on the corner in the pouring rain

Victoria:

Steal some cover share some skin

Max:

Look for the girl with the broken smile

Victoria:

Sunday morning rain is falling

Max:

Ask her if she wants to stay a while

Together:

And she will be loved  
And she will be loved  
And she will be loved  
And I wonâ€™t go home without you

Victoria:

I know itâ€™s hard to remember the people we used to  
be

Max:

I am in misery

Victoria:

You say it's too late to make it, but is it too late to try?

Max:

Why won't you answer me?

Victoria:

Baby you are all I need

In darkness you are all I see

Come and rest your bones with me

Driving slow on Sunday morning

Max:

And it goes like

This love has taken its toll on me

She said goodbye

Too many times before

Victoria:

Now take me by the tongue and I'll show you

All the moves like jagger

I got the moves like jagger

Max:

My heart is breaking in front of me

I have no choice

Yeah, I won't say goodbye anymore

Victoria:

Look into my eyes and I'll own you

With the moves like jagger

I got the moves like jagger

(Clapping)

Victoria:

Now I'm at a payphone

Max:

I don't mind spending every day

Victoria:

All of my change I spent on you

Max:

Out on the corner in the pouring rain

Victoria:

Where have the times gone?

Max:

Look for the girl with the broken smile

Victoria:

Where are the plans we made for two?

Max:

Ask her if she wants to stay a while

Together:

And she will be loved

And she will be loved

And she will be loved  
And she will be loved  
And she will be loved  
And she will be loved
