When I first saw you, didn't know what to think  
But something about you was so interesting  
I can see me and you being best friends  
The kind of friends that finish each other's sentences

When I can't think of the right words to say  
I just sing oh whoa whoa oh, oh whoa whoa oh  
Come on and harmonize with my melody  
And we'll sing oh whoa whoa oh  
Ain't it a perfect harmony?

I woulda never thought I'd be here with you  
To start a friendship that is so brand new  
It's so amazing I have to say  
Never met someone that had so much in common with  
me

Now, I can look into your eyes all day and just say  
Oh whoa whoa oh, oh whoa whoa oh  
I wanna harmonize with your melody and we'll sing  
Oh whoa whoa oh  
Ain't it a perfect harmony?

Sometimes in your lifetime  
You look and you search for someone just to care  
Look around and it was there  
And we didn't need to go nowhere

When I can't think of the right words to say (the right  
words to say)  
I just say oh whoa whoa oh, oh whoa whoa oh  
Come on and harmonize with my melody  
Oh whoa whoa oh  
Ain't it a perfect harmony?

You got me  
I got you  
I got you  
You got me  
Yeah, you got me  
I got you

A perfect harmony
