I'll follow my dreams.  
You'd think they were nightmares the way they scream.  
I'll make them believe (Woo!)  
Someday, someday, I'm gonna be the next big thing.

I never doubt my dreams; always live 'em out.  
I'ma tell the world; they gotta hear me out.  
Just give me one mic so I can scream it loud.  
And I just need someone that I can make proud.  
Cause I can't wait for that someday  
That someday it is coming  
I wanna share my life with someone who loves me just  
for me.  
Hey, hey

I wanna wish up to the stars, I can.  
I wanna see the lights and the crowd in the stands  
See myself there like a dream in the past  
And everything I want I'ma get it at last - okay  
And I know that there's no limit to pursuing  
All our dreams and, we gon' make it  
And tell the world that the best is yet to come

I'll follow my dreams  
You'd think they were nightmares the way they scream  
I'll make them believe (Woo!)  
Someday, someday  
I'm gonna be the next big thing

Someday I'll be the next big thing (the next big thing)  
Someday I'll be the next big thing (the next big thing)  
Someday I'll be the next big thing (the next big thing)  
Someday, someday, I'm gonna be the next big thing

Now that I'm older, I think about it  
I was really having fun, too cool about it  
I guess mom's was predicting the future  
She knew that one day I was gonna move ya, okay  
But now I see everything a little different  
The world looks bigger and the sky is the limit  
I'm always looking out for myself and family

They gonna be surprised shoutin' out ooo-eee

I got it, everything my mama wanted from me  
I got it, anybody come take it from me  
I got it, cause it's all us  
I'm so close I can dream about it  
I can feel I got it, music, I'm all about it  
I'm here to make a change I'ma be about it  
I didn't come this far to stop now  
And I can't rest until I get my dreams out the clouds

I'll follow my dreams  
You'd think they were nightmares the way they scream  
I'll make them believe (Woo!)  
Someday, someday, I'm gonna be the next big thing

Someday I'll be the next big thing (the next big thing)  
Someday I'll be the next big thing (the next big thing)  
Someday I'll be the next big thing (the next big thing)  
Someday someday I'm gonna be the next big thing

One day I'm gonna be king of the palace  
When I'll reign there'll be a new balance  
(Everything will be okay)  
Every single day, all day  
You can follow me, if you wanna go,  
I'ma take the lead, I got the star role,  
Twinkle in the night like the star goes  
When you see us you know - the next big thing!

Someday I'll be the next big thing (the next big thing)  
Someday I'll be the next big thing (the next big thing)  
Someday I'll be the next big thing (the next big thing)  
Someday, someday, I'm gonna be the next big thing
