This house is your own, still living alone  
It don't make you sad  
But I think it's good to be green

This summer is gone and spring don't belong  
The traces are here for long winter  
I miss the green, it used to be clean

If you wanna be free  
Please don't fall for me  
I could be anyone but your friend

If you open the door  
I'll give a whole lot more  
I could be anyone, anyone  
Yeah

Assumption is good  
Though not likelihood  
My feeling is true  
I wanna be living with you

The truth, it begins  
We're breathing it in with shadows of doubt  
In time we will all miss the green  
It used to be clean

If you wanna be free  
Please don't fall for me  
I could be anyone but your friend

If you open the door  
I'll give a whole lot more  
I could be anyone but your friend

Anyone, anyone  
Anyone, nah nah nah, no  
Anyone, anyone  
Anyone, yeah

If you wanna be free  
Please don't fall for me

I could be anyone but your friend

If you open the door  
I'll give a whole lot more  
I could be anyone but your friend

Anyone, anyone  
Anyone, nah nah nah no  
Anyone, anyone  
Anyone, yeah

Seeing is believing  
The feeling is deceiving  
You know its the truth  
When you find that you cant talk

Leaving on this, all into chaos  
Seeing is feeling is  
Seeing is feeling is you  
Feeling is you, woah

Nah nah nah, no

Anyone, anyone  
Anyone, yeah
