The trouble we're facin'  
Ambulance chasin'  
Drug recreation  
Look at the outcome  
Don't have to die young

Off fielded papers  
Gossip creators  
Fighting for status  
Look at the outcome  
Don't have to die young

Isn't love  
(In the face of a stranger)  
What we're looking for  
(In the face of a stranger)  
Or just a road  
(In the face of a stranger)  
We've been down before  
(In the face of a stranger)

Caught in the crossfire  
Stuck in the barbed wire  
Life is a soldier  
Look at the outcome  
Don't have to die young

Social displeasers  
Contemptous breeders  
Sometimes it's out  
Sometimes it's out of our hands

There's no need (in the face of a stranger)  
Or use to keeping score (in the face of a stranger)  
Coz in the end (in the face of a stranger)  
We come back for more (in the face of a stranger)

Bells keep on ringin'  
People keep singin'  
Happiness can be found  
Sometimes it's tough  
Hard and rough

To keep your feet on the ground  
And your head in the clouds

Isn't love  
(In the face of a stranger)  
What we're looking for  
(In the face of a stranger)  
Or just a road  
(In the face of a stranger)  
We've been down before  
(In the face of a stranger)

There's no need (in the face of a stranger)  
Or use to keeping score (in the face of a stranger)  
Coz in the end (in the face of a stranger)  
We all come back for more (in the face of a stranger)

[Fade until end]
