This house is your own, still living alone
It don?t make you sad
But I think it?s good to be green

The summer is gone and spring don?t belong
The traces are here for long winter
I miss the green, it used to be clean

If you wanna be free
Please don?t fall for me
I could be anyone but your friend

If you open the door
I?ll give a whole lot more
I could be anyone, anyone, yeah

Assumption is good
Though not likelihood, my feeling is true
I want to be living with you

The truth it begins, we?re breathing it in
With shadows of doubt, in time we will
All miss the green, it used to be clean

If you wanna be free
Please don?t fall for me
I could be anyone but your friend

If you open the door
I?ll give a whole lot more
I could be anyone but your friend

Anyone, anyone
Anyone, nah, nah, nah, no
Anyone, anyone, anyone, yeah

If you wanna be free
Please don?t fall for me
I could be anyone but your friend

If you open the door
I?ll give a whole lot more

I could be anyone but your friend

Anyone, anyone
Anyone, nah, nah, nah, no
Anyone, anyone, anyone, yeah

Seeing is believing, the feeling is deceiving
You know it's the truth
When you find that you can't talk

Leaving on this all into chaos
Seeing is, feeling is, seeing is
Feeling is you, feeling is you, woah
No, no
