When I first saw you didn't know what to think. there's something about you is so interesting. I can see me and you being best friends, the kind of friend that finish each others sentences.

(Chorus)

When i cant think of the right words to say i just sing oh-oh-oh oh oh-oh-oh oh. C'mon and harmonize with my melody and we'll sing oh-oh-oh oh oh-oh-oh oh. Ain't it a perfect harmony .

I never thought that I'd be here with you, to start a friendship that is so brand new. it's so amazing i have to say, never found someone who has so much in common with me.

Now i can look into your eyes all day and just sing oh-oh-oh oh-oh-oh-oh. I wanna harmonize with your melody and we'll sing oh-oh-oh oh oh-oh-oh oh ain't it a perfect harmony

(Bridge)

sometimes in your lifetime, you look and you search for someone just to care look around and it was there and we didn't need to go nowhere.

When i cant think of the write words to say i just sing oh-whoa-oh oh, oh-whoa-oh oh c'mon and harmonize with my melody and we'll sing oh-oh-oh oh oh-oh-oh oh. Ain't it perfect harmony.

You got me, i got you, I got you, you got me, yeah you got me, i got you.
A perfect harmony.
