"Devil on My Mind"

Visit "[Devil on My Mind](#)" on [MotoLyrics.com](#)

(Chorus:)

Angel on my shoulder, devil on my mind,
I've been tryna' save myself, from my own advice,
Why can't I just let it go? Why can't I abide?
By the angel on my shoulder, and not the devil on my
mind.

(Verse 1:) [Bernz & Wrekonize]

Bernz: See I wish I could change things, been actin' up
way too long now,

Wrek: Sometimes I'm an asshole, who thinks
somebody's tryna' do me wrong now,

Bernz: Tryna' right these wrongs, it's fucked up
though, 'cuz I love them all,

Wrek: So I'm 'bout to rise in the fall, and how we smoke
too much weed for y'all,

Get 'em up, get 'em up, get 'em high keep holdin',
Devil on my head, get ahead, keep rollin',

Froz 'em 'til I spoke and hopin' for the ocean,

Bernz: Not feelin' like the game's all broken,

Wrek: See we go Jekyll and Hyde, on every second
reply,

then when the Wrek on they mind, you get broken,

Bernz: Welcome to the freak show,

Stay for a while don't look for the sequel,

Wrek: See we be givin' a name, to every drink in the
game (?),

That's tryna' get in our lane and go golden,

Even ignorant lames for individual gain,

That get a minute of fame and we like hol' up,

Both: We been, on it, back up, slow,

Get a, clue and, pack it, go,

Devil, on my, mental, so,

Pack up when you see us, we torn between worlds and
it goes,

(Chorus:)

Angel on my shoulder, devil on my mind (devil's on my
mind)

I've been tryna' save myself (save myself) from my
own advice (my advice)

Why can't I just let it go? (Let it go) Why can't I abide?
(Why can't I?)

By the angel on my shoulder, and not the devil on my

mind.
(Instrumental Interlude & Liz Suwandi Singing)
Liz Suwandi: Angels
