(Verse 1:) [Wrekonize]

Break ground on a ... not so solid surface,
Rock the common turf it's Rottweilers with purpose,
Movin' around and now they duly get down,
Cold-blood and it's oozing now, my heart has been
losing pounds,
By the minute, placentic (?) like the bleeding isn't real,
But the leaks that I conceal have an overwhelming feel,
And it's danger, under the ground I see saviors,
And memories I buried with my very scary neighbors!
Razors, raise the bottom line blazers,
Pick and shovel the flavor, kickin' trouble for days, and
I'm feeling like this bassinet is just another coffin,
Heavin', coughin', reachin', often
Kickin' up dust on the life I live, see
I'm Mad Max with an ax and I'm minus wife and kid,
I'm lookin' for the clues that I might've missed,
So if you find me in the dirt and you see I'm tryna' dig,
remember that...

(Chorus:)

This is a dangerous time we live in,
Revolutions all around,
I found a dream that I was given,
Down deep inside the ground,
Let's, let's, let's, dig it out!

(Verse 2:) [Wrekonize]

Break ground on a ... better bitter soul we be on,
Get a little, go, see me gone, I'ma let 'em all keep me
strong,
Pick it up and I'ma beat the pawns, and a little bit a
butter I'ma eat the fauns (?)
I'm a illy mu'fucka wit' a piece a wrong (?), this world is
on its knees.
These sane names and fame games, get a license for
this Strangeland,
My aim's plain but ain't changed, since 1983.
This ain't pain but hey mane, I'm trying to maintain
sane,
This cave mane been great fam, that's just the way to
be.
In a world of darkness, I'm digging for Catharsis,
And sippin' on the arson, just to say I'm a part of it,

The media, the medium, the miniscule we make,
The mediocre Medicare on my minimum wage.
I'm smilin' but I'm not OK, I'm dialin', don't know what
I'll say,
I'm filin' for asylum but I'm wildin', violins are now 'bout
to play,
We walkin' up to take the stage, got dirt and sand all in
my face,
If this here is my final play, hear's what you'll hear my
tombstone SAY!

(Chorus:)

This is a dangerous time we live in,
Revolutions all around,
I found a dream that I was given,
Down deep inside the ground,
Let's, let's, let's, dig it out!
