Verse 1:

See, Iâ€™™ m about to give the Start
To what they call â€œplay smartâ€™™
But we gonâ€™™ do it different
With continuing, No end!
You will be a dance addict
Yeah I say it, I predict!
Get your groove on the floor
Now itâ€™™ s not what was before
This is what I call unique-charming (oh yeaaaah)
And this is just the beginning of trip (hell yeaaaah)
Step to the left
To the right
Then some more
Make some moves uâ€™™ re in control
U donâ€™™ t really wanna go (hey!)
Cuz Baby this is an invite (From me!)
To learn whatâ€™™ s the groovy dougie (With me!)
Iâ€™™ ll make you go pro
And youâ€™™ ll ask for more
Thatâ€™™ s the way that it goes

Yeah it and rains and it flows

Bridge:

So you staying
Cause we playing
And then replaying
And overplaying
And I'm just saying
We disobeying
So throw your hands up in the air
I'm the definition of dare to

Chorus:

This is the Groovy Dougie
I'mma show u how to party
This is the Groovy Dougie
Come on everybody
This is the Groovy Dougie
I'mma show u how to party
This is the Groovy Dougie
Come on everybody

Verse 2:

See, everytime I come around
They be like getting loud
That's the time to show my skills
Make it happen, make it real
That's the way I express myself
Through the lyrics, through the steps
It's like the whole body's grooving
While the crowds are moving
you can tweet about this unique thing (oh yeaaaah)
Cause is getting so damn big (hell yeaaaah)
Step to the left
To the right
Then some more
Make some moves u're in control
U don't really wanna go
Cuz Baby this is an invite (From me!)
To learn now what's the dance fever (From me!)
I'll make you go pro
And you'll ask for more
That's the way that it goes
Yeah it rains and it flows

Bridge:

So you staying
Cause we playing
And then replaying
And overplaying
And I'm just saying

We disobeying
So throw your hands up in the air
Iâ€™m the definition of â€”to dareâ€”

Chorus:
This is the Groovy Dougie
Iâ€™mma show u how to party
This is the Groovy Dougie
Come on everybody
This is the Groovy Dougie
Iâ€™mma show u how to party
This is the Groovy Dougie
Come on everybody
